Kolkata**

No. Metro/Electrical/AKM

Date: 01.09.2020

M/s Shinryo Suvidha
7, Anil Roy Road,
Kolkata - 700029.

(Kind attention: Mr. Kaushik Roy)

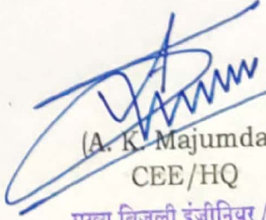

Sub: - Execution of work during lockdown period

During initial and very restrictive lockdown period the team nominated by you did the following jobs which brought new dimension in HVAC system of Metro Railway Kolkata:

- a) Replacement of condenser and evaporator set for AC plant of Maidan station.
- b) Replacement of cooling towers at Maidan and Netaji Bhavan.
- c) Replacement of 514 nos. air filter at various stations.
- d) Starting of the cleaning of air filter with soap water.

Please convey our sincere appreciation and heartiest thanks to all the team members who worked under your leadership to address the crisis arise due to COVID pandemic. It is further worth mentioning that none of your team members and none of the team members of Metro Railway, Kolkata get infected with COVID-19 while performing duties in a situation where maintaining social distance was a tougher challenge.

It is also appreciated that you took personal pain in transporting condenser, evaporator from Barrackpore and air filters from Budge Budge passing through number of contaminated zone and under different police stations.
